RE: High Access Property Services P/L & Trades Monitor Association.

To Whom it may concern,

High Access Property Services Pty Ltd has an ongoing business association with Trades Monitor for over eight years.

Many of our clients are customers of Trades Monitor, who are happy to continue business with us knowing that we are, audited, screened annually for compliancy and satisfy the requirements on all levels.

High Access is a Trades Monitor Accredited Contractor and proudly complies with full dedication & commitment to all Insurance, Work Cover and Occupational Health and Safety legislative requirements.

Trades Monitor annually request copies of all Certificates of Currency documentation to ascertain continual compliancy and have made the association streamlined and stress free.

Trades Monitor has available a list of Contractors in all fields who have undergone a full audit, and are a safe and sensible preference when selecting business services. We are pleased to be one of those businesses.

We will continue our association with Trades Monitor and all their clients who prefer the peace of mind in knowing they are dealing with professional Trade Service Providers.
